

Strategic Framework

Vision

We envision innovative, future-focused leaders for every public school student.

Mission

Our mission is to promote, provide, and develop leaders who create and sustain student-centered schools and develop future-ready students.

Strategic Areas + Aspirations

By 2025, TASA aspires to cultivate a...

Cohesive, nationally recognized professional learning system that builds leadership capacity and a culture of transferable learning.

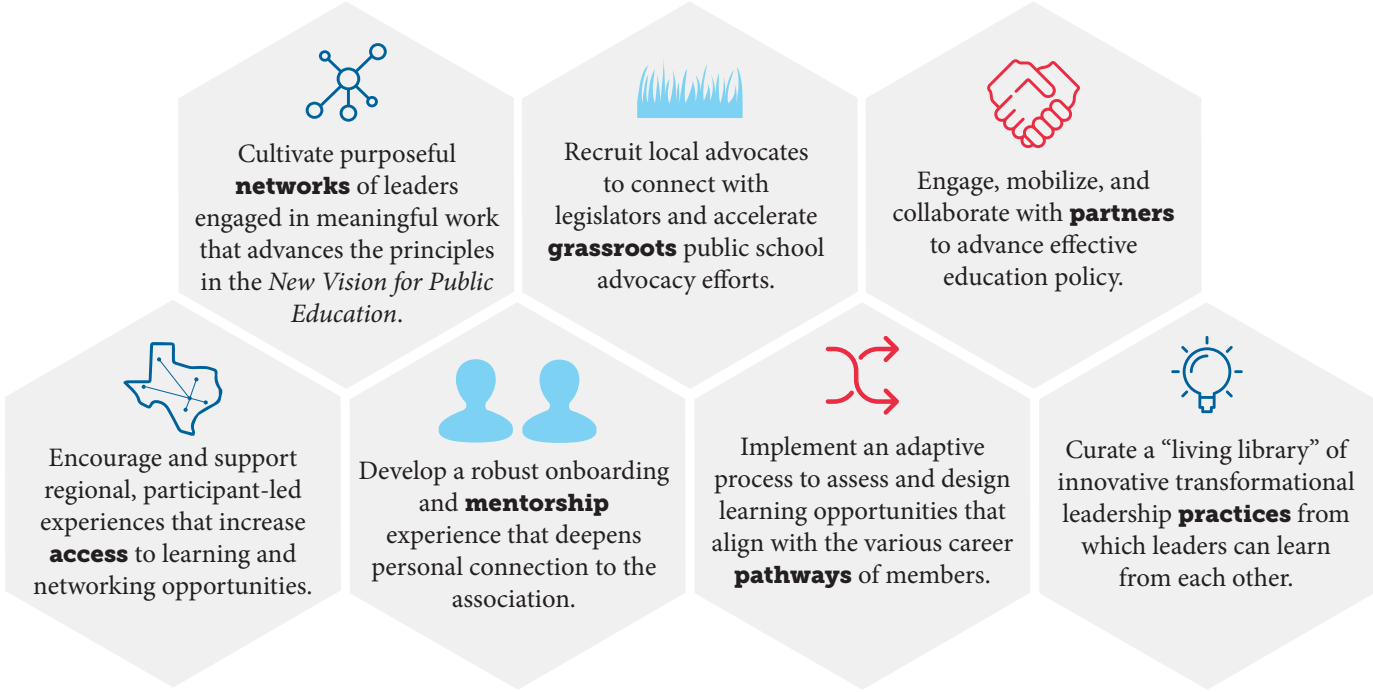

Deeply engaged membership that self-organizes around creating the highest level of leadership performance.

Diverse and extensive collaborative of champions equipped to advocate for an educated citizenry.

Long-Term Strategies

Stakeholders

TASA represents, serves, and impacts...

Those who **set and lead** a district strategic direction

Those who **advance** a district strategic direction
